Pivot Collection®

For when your hands are full.
Just push or pull.

The Pivot Collection® redefines the landscape of residential mechanical hardware with push to open products designed to fit seamlessly into your home.

The Navis Paddle makes door opening versatile and convenient for any member of the household. A door can be easily pushed open with a hip or elbow when carrying an armful of groceries or a load of laundry — its two-way push/pull operation makes it ideal for laundry rooms, garage entries, basements, bedrooms and more. The ADA-compliant handle is also accessible for children, the elderly and the disabled.

- High traffic areas
- Elderly family members
- Young children
- ADA compliant
- Dummy, privacy, passage functions
